### Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Provide professional development to enable the application of the Australian Curriculum
- Explicit instruction to provide targeted and scaffolded instruction in reading
- Explicit, school-wide, pedagogical model with regular instructional feedback between teaching peers and supervisors to provide quality instruction for all students
- Embed the culture and protocols of classroom observation and feedback to support professional learning, quality teaching, reflective practice and action learning
- Collaborative data inquiry processes led teacher teams to increase their ability to be more sophisticated to collect, interpret and use school performance data sets to inform effective teaching practices for groups and individual students
- Review of the whole school data collection schedule
- Teachers increased ability to collaborate to design individual curriculum plans for identified students
- Provision of significant hours of additional teacher aide support for the targeted literacy intervention program P-6
- Provide regular playgroup sessions for indigenous families
- Employ additional guidance officer time for complex case management
- Invest in technology, professional development for teachers in ICT and the use ICT to enhance student learning
- Provide professional development for teachers in the use of OneSchool to record, access and use data to support student learning eg markbooks, developmental maps, individual curriculum plans, dashboard functionality, and attendance tracking.
- Teacher support for attendance monitoring and enhanced school community contact
- Creation of a strong aspirant leaders program
