PROUD SPONSORS OF

KLUB KALLANGUR OUTSIDE SCHOOL HOURS CARE

A CARING AND SAFE ENVIRONMENT FOR YOUR CHILD
Klub Kallangur Outside School Hours Care

Kallangur State School P&C Association became the sponsor body for Klub Kallangur in 1995 when they were operating out of a small demountable building catering for 30 children. Today we operate out of a large purpose built building on the Kallangur State School Grounds and can now cater for 136 children.

At Klub Kallangur we take great pride that we were one of the first centres in Queensland to become fully accredited and licensed and we continue to strive for excellence as we provide a vital service to our school community.

95% of our staff are fully qualified, with many staff continuing to enhance their qualifications with further studies so that we can deliver the best care possible for your child.

We have developed a program that understands that each child is an individual and we believe that by offering a choice of educational, stimulating, physical and also relaxing activities we can meet those needs.
